TABLE OF CONTENTS
URGENTLY IMPORTANT

***NOTES:**

1. JUST COMPENSATION DUE AND OWING THIS PETITIONER, as demanded under Amendment V of our United States Constitution, is "MANY NUMEROUS MILLIONS OF DOLLARS" as itemized in the "UPDATED STATEMENT" rendered January 28, 1976 by this petitioner to the State of Ohio and/or our Federal Government and/or others. The original of that itemized Statement was mailed to this United States Supreme Court on that same date. Your attentions are respectfully directed to attached U.S.S.C. APPENDIX "M" page 10 beginning at item "IV" thereof for a copy of that "UPDATED STATEMENT". See beginning at page 17 thereof for the (15) fifteen party(ies) to whom copy(ies) were mailed.

2. THE OFFICE(S) OF THE ATTORNEY GENERAL OF OHIO and/or the State Courts and/or other(s) have "CREATED" and/or "CAUSED" the conditions which have "CAUSED" Just Compensation to become astronomically ridiculously inflated as itemized and explained in item No. 1 of this "NOTE". See this petition beginning at page "3 item D" for further explanation.

3. PLEASE BE RESPECTFULLY REMINDED THAT TECHNICALLY "PER THE LAW" even our United States Supreme Court "CANNOT" change that "LEGALLY JUST DUE AND OWING DEBT" to this petitioner described in "NOTE NO. 1" above. For further explanation see beginning at page 6 item "v" of this petition.

R or T.T. = Trial Transcript.

W/Pet. — Filed with the original and each copy of this petition in this United States Supreme Court.

IN THE SUPREME COURT OF THE UNITED STATES

October Term 1975

ALFRED A. ROBERTS
 Petitioner

v

OHIO

PETITION FOR A WRIT OF CERTIORARI
 TO THE COURT OF APPEALS — SEVENTH DISTRICT
 MAHONING COUNTY, OHIO

IN THE MATTER OF THE APPROPRIATION BY THE
 STATE OF OHIO OF THE FEE FOR HIGHWAY PURPOSES
 OF THE LANDS OF ALFRED A. ROBERTS ET AL.,
 AND NECESSARY IN THE IMPROVEMENT OF INTER-
 STATE ROUTE NO. 680, SECTION 9.32, MAHONING
 COUNTY, OHIO.

To the Honorable Chief Justice and the Associate Justices
of the Supreme Court of the United States:

The following and/or herein contained, including the attachments and/or content(s) therein, are, whether stated and/or implied, the opinion of this Petitioner-Appellant to the best of his knowledge and understanding.

This Petitioner-Appellant has attempted to present any facts contained herein and/or hereto related to the best of his knowledge and understanding.

I.

INTRODUCTION

1. Some of the records (namely a photocopy of the entire original 182 page Trial Transcript; a copy of the 'PLANS' marked for identification purposes — U.S.S.C. APPENDIXES B, C-1 and C — "PROPERTY OWNER'S EXHIBIT NO. 2 (R Defendant Ex 2; R-107-lines 6 to 10; - 38-56) and other data hereinafter described) that, among other things, contain uncontroverted and incontrovertible ENGINEERING FACT — (NOT OPINION) were submitted to this United States Supreme Court January 28, 1976 and February 5, 1976 respectively by this petitioner.

2. The previously described were submitted to this Court, for among others, reason(s) those that follow:

A. To become a part of this and/or these petitions as if they were fully and totally re-written herein;

B. for acceptance by this court as a timely filed and/or docketed action(s) as, but not limited to, described in the caption,

C. hopefully, to accomplish, as soon as possible and preferably, the purpose(s) described in attached U.S.S.C. APPENDIX 'M' — Alternate No. 5 (of 8 alternates submitted by this petitioner) for reason(s) explained therein (and especially beginning at page 10 item IV thereof);

D. Because they prove beyond doubt that it is in the best interest of the people of the State of Ohio and/or our Federal Government (as taxpayers who will ultimately pay the continuously astronomically increasing "BILL" as itemized in attached U.S.S.C. APPENDIX 'M' page 10 item IV) to settle this matter as soon as possible as described in said Alternate No. 5. The foregoing astronomically increasing liability (ies) to the taxpayers has and/or is continuing to occur because the office of the Attorney General of the State of Ohio and/or the State Courts of Ohio and/or our Federal Government and/or others have CREATED a situation that has CAUSED JUST COMPENSATION (as demanded under Amendment V of our United States Constitution) to become astronomically inflated and in fact to have already reached ridiculous proportions because of the act(s) and/or failure(s) to act by these previously described in this item 'D'. This is especially true because of the continuous Certified letters this petitioner has written to those described in this item 'D' beginning long before negligent and/or malicious injury was CREATED and/or CAUSED to this petitioner and/or to his REMAINING LANDS and/or to his other property(ies) by those described in this item 'D'. Your attention(s) are respectfully directed to attached Appendix 'M' — Index page ii for Appendix numbers and/or lettering assigned to the said certified letters and/or other relevant data;

E. The heretofore described LEGALLY, JUST, DUE and OWING DEBT (S) are recoverable, by this Petitioner, either under these action(s) described in the caption and/or under The Federal Torts Claim(s) Act(s) and/or both. In that regard; your attention(s) are respectfully directed to, but not limited to, that which follows for supporting evidence:

a. "Handling Federal Tort Claims" by Lester S. Jayson — Director, Congressional Research Library of Congress, see but not limited to:

i. Volume 1 - page 9-24 — where property is taken for public use remedy is through Court of Claims or in District Courts;

(ii) Volume 1 - page 9-26 — "Property is taken in the Constitutional sense, the Supreme Court has said," — "when inroads are made upon an owners use of it to an extent that, as between private parties, a servitude has been acquired either by agreement or in the course of time" — (see attached U.S.S.C. Appendix 'A' beginning at page "23 item II" in this regard); and Appendix 'O' page 17 of 20 — "OFFER NO. 2".

b. Sherman Antitrust Act(s) as amended — see attached U.S.S.C. Appendix 'A' beginning at page 1 for details — (in this regard);

c. Amendments of our United States Constitution, including but not limited to, V, VI, XIV, IX, and VIII. Also see U.S.S.C. APPENDIX 'L' — "Notice of Appeal" beginning at bottom of page 1 of 6. They are all made a part of this Petition as if totally re-written herein.

3. The foregoing U.S.S.C. APPENDIX 'M'; attached Appendix 'A', Appendix M-1; the herein and following (mailed to our United States Supreme Court on the dates shown hereinafter) will explain and/or support these statements in further detail:

A. January 28, 1976 — submitted by certified mail (19) nineteen pages plus an Index consisting of pages i and ii. The nineteen pages was marked for identification purposes as U.S.S.C. APPENDIX 'M'. Your attention(s) are respectfully directed to the 'INDEX' for identification of the (13) thirteen attachments submitted therewith. Among the attachments was the (67) sixty-seven page "MEMORANDUM IN SUPPORT OF JURISDICTION" filed by this petitioner in the Supreme Court of Ohio August 19, 1975. A copy thereof and of the entire (19) nineteen pages of the U.S.S.C. APPENDIX 'M' are attached to each of the required copies of this "PETITION FOR A WRIT OF CERTIORARI" etc. that will be filed and/or docketed in this United States Supreme Court on or about or before April 12, 1976;

B. February 5, 1976 — submitted by certified mail (8) eight pages marked for identification purposes as U.S.S.C. APPENDIX 'M-1'. Attached therewith were the following

(see pages 2, 3, 4 and 6 thereof for details):

a. Alternates 7 and 8 — see page 2 thereof;

b. Appendix M-2 — photocopy of the entire 182 page trial transcript;

c. Appendix C — is a 'PLAN' — copy of "PROPERTY OWNER'S EXHIBIT NO. 2" submitted in evidence in behalf of this petitioner by Mr. Harold Strohecker registered engineer and registered surveyor experienced in sub-division work. Your attentions are directed to both this plan and the plan 'C-1' hereinafter described. The said plans and notes written thereon, by this petitioner, combined with the attached U.S.S.C. APPENDIX 'A' beginning at page 4 explains the significant issues — (Part II — 'QUESTION(S) PRESENTED' beginning at page 38 that follows will further clarify these items "c, d, etc.");

d. Appendix Y — pages VI, VII, VIII and IX of written data that, among other things, on page VII item II-10 thereof cite in detail numerous SALES within less than one mile both to the north and the south of petitioners land (which occurred during the same period in which the sales occurred that were entered in evidence by Mr. Kroeck, the appraiser who testified for the State of Ohio and/or our Federal Government. The said described property(ies) were sold for from between approximately \$31,830.00 per acre to \$80,640.00 per Acre. The sales entered in evidence by Mr. Kroeck were located a much greater distance from petitioners land. Furthermore not one of the sales entered in evidence by Mr. Kroeck were comparable in anyway whatsoever. (by his own admission T.T. page 115 lines 19 and 20); Further:

i. even Mr. Kroeck placed a value on the front part of petitioner's Land (see T.T. page 123 lines 13 and 14) at \$6,750 per acre

ii. although it is uncontroverted and incontrovertible ENGINEERING FACT (AND NOT OPINION THAT CAN STILL OF THIS DATE BE PROVED OR DISPROVED):

(see notes on the Plan U.S.S.C. APPENDIX C-1 for clarification); the jury ILLEGALLY awarded this petitioner for the six acres totally destroyed because of the construction of the highway \$2500 divided by 6 acres destroyed. For each acre destroyed the jury ILLEGALLY awarded this petitioner for each acre destroyed \$417.00.

iii. Mr. Kroeck admitted (T.T. Page 115 lines 19 and 20) that the selling price of the lands he had entered in evidence were for lands that IN FACT WERE NOT COMPARABLE TO THE PETITIONERS LAND;

iv. See attached U.S.S.C. APPENDIX 'A' page 31 (in this regard) which proves further beyond doubt this petitioner did not get a fair trial as is demanded under Amendments XIV and IX of our United States Constitution. Further that this petitioner did not receive JUST COMPENSATION as is demanded under Amendment V;

v. REGARDING PETITIONERS REAL PROPERTY OF REMAINING LANDS — THIS PETITIONER RESPECTFULLY REMINDS THIS COURT THAT IN ADDITION TO OWNING HIS PROPERTY OF REMAINING LANDS HE ALSO RETAINS A DISTINCTLY SEPARATE AND ADDITIONAL OWNERSHIP OF PERSONAL INTANGIBLE PROPERTY OF CONSTITUTIONAL RIGHTS IN THAT REAL LAND THAT NO ONE CAN (WITHIN THE LAW) PLACE A VALUE THEREON (OTHER THAN THIS PETITIONER). PETITIONER FURTHER RESPECTFULLY REMINDS THIS COURT THAT IN STRICT ACCORD WITH OUR UNITED STATES CONSTITUTION NOT EVEN OUR U.S. SUPREME COURT (CAN WITHIN THE LAW) PLACE A VALUE ON THIS PETITIONERS INTANGIBLE PERSONAL PRIVATE PROPERTY OF "OPPORTUNITY" TO USE HIS REMAINING LANDS TO EARN A LIVELIHOOD AND/OR ENGAGE IN FREE ENTERPRISE AS IS DEMANDED UNDER AMENDMENTS ~~XIV AND IX~~ OF OUR U.S. CONSTITUTION. THIS IS ESPECIALLY TRUE IN THIS SPECIFIC ACTION (S) BECAUSE SEE THE "INDEX" OF APPENDIX "M" PAGE ii APPENDIXES Q,

PAGE 17 OF O WHERE IT SAYS "OFFER NO. 2"; P, R, S, T, U, V, W. IN THE SAID APPENDIXES (WHICH ARE MOSTLY CERTIFIED LETTERS) THIS PETITIONER HAD ADVISED AND FOREWARNED THE STATE OF OHIO AND/OR OUR FEDERAL GOVERNMENT THE MANNER IN WHICH THEY COULD AND SHOULD PROCEED SO THE CONSTRUCTION OF THE HIGHWAY WOULD CONFORM WITH AMENDMENTS XIV, IX and V IN RELATIONSHIP TO PETITIONER'S REMAINING LANDS. IN THE ABOVE DESCRIBED OFFERS NO. 1 AND NO. 2 THIS PETITIONER HAD INFORMED THE STATE OF OHIO AND/OR OUR FEDERAL GOVERNMENT THE VALUE HE WAS PLACING ON THE DESTRUCTION OF HIS PERSONAL PRIVATE INTANGIBLE PROPERTY OF OPPORTUNITY IF THEY CHOSE TO DESTROY PETITIONERS OPPORTUNITY TO USE THOSE REMAINING LANDS TO EARN A LIVELIHOOD AND/OR ENGAGE IN FREE ENTERPRISE AS IS DEMANDED UNDER AMENDMENTS ~~XIV AND IX~~. THE VALUE PETITIONER PLACED ON SAID OPPORTUNITY WAS NOT AN ARBITRARY ONE. IT WAS BASED ON UNITED STATES DEPARTMENT OF COMMERCE DATA. PETITIONER EXPLAINED ALL THIS TO THE STATE OF OHIO AND/OR OUR FEDERAL GOVERNMENT IN THE SAID CERTIFIED LETTERS PREVIOUSLY DESCRIBED. PETITIONER FIRST BEGAN TO EXPLAIN THE FOREGOING TO THE PROPER AUTHORITY(IES) OF THE STATE OF OHIO AND/OR OUR FEDERAL GOVERNMENT BY PHONE CONVERSATION(S) OF RECORD (SOME BY LONG DISTANCE) BEGINNING MORE THAN ONE YEAR BEFORE THE CONTRACT FOR CONSTRUCTION OF THE HIGHWAY WAS AWARDED TO MILLER-KEFFLER CONSTRUCTION COMPANY AND IN WRITING BY CERTIFIED MAIL MORE THAN TWO MONTHS BEFORE THE CONTRACT WAS AWARDED TO MILLER-KEFFLER CONSTRUCTION CO. *These do not take into consideration the (relevant in some respects) data and/or agreements of record this petitioner retains; some beginning prior to 1950 —*

see attached U.S.S.C. Appendix 'A' beginning at page 23 item II thereof). PETITIONER CONTINUED TO REMIND THE AUTHORITY (IES) FOR THE STATE OF OHIO AND/OR OUR FEDERAL GOVERNMENT AND/OR OTHERS CONTINUOUSLY THEREAFTER BY CERTIFIED MAIL. YOUR ATTENTIONS ARE RESPECTFULLY RE-DIRECTED TO THOSE CERTIFIED LETTERS WHICH ARE DESCRIBED IN THE INDEX OF ATTACHED U.S.S.C. APPENDIX 'M' PAGE ii APENDIXES Q, O PAGE 17 OF 20 WHERE IT SAYS "OFFER NO. 2"; APPENDIXES P, R, S, T, U, V, W, A-11, A-12, A-13, A-1 AND X FOR VERIFICATION OF THE FOREGOING.

4. SUMMARY AND CONCLUSION PERTAINING TO THE CONTENT (S) OF THE INTRODUCTION FOLLOW.

A. The Office of the Attorney General of the State of Ohio and/or the State Courts and/or our Federal Government and/or other(s) have either CREATED a situation WORSE THAN THE WATERGATE MATTER and/or they have negligently, as employees of our Federal Government, — (as employees of our Federal Government are defined under the Federal Torts Claims Acts) injured this petitioner under those Law(s). Your attentions are respectfully re-directed to:

a. "Handling Federal Tort Claims" — by Lester S. Jayson Volume 1 — page 9-26 — (as well as said Volume 1 and/or all other volumes in their entirety);

b. attached U.S.S.C. APPENDIX 'A' — (67 pages) — specifically beginning at page 23 item II;

c. The Sherman Antitrust Act(s) as amended — see U.S.S.C. APPENDIX 'A' beginning at page 1 thereof for details; (at the very least there was by some of those described in '4A' — abuse of power and/or discretion either negligently and/or with malice),

d. State of California v Anthony Pasquall Faretta — U.S. Supreme Court Ruling, June 30, 1975. Counsel was forced on petitioner — defendant against his will by some of those

described in '4A'. For details see attached U.S.S.C. APPENDIX 'A' — page iii; attached U.S.S.C. APPENDIX 'M' — page ii — Appendixes X, A-1; O-page 9 of 20 beginning next to last paragraph; P-page 7 of 7 paragraph 1; Appendix 'M' — page 9 item III-7; Amendments VI and XIV of our U.S. Constitution; Title 28 U.S.C. 1252 is made a part of this petition as if it were totally re-written herein;

e. Petitioner was Discriminated against by those described in '4A' — See U.S.S.C. Appendix R — (Cert. Ltr. 11/16/73) pg. 2 of 3 paragraph 7; attached U.S.S.C. APPENDIX 'M' — page ii — Appendixes shown thereon — O, Q, S, T, U, W; attached U.S.S.C. Appendix A — page 14 item "I-7";

f. Petitioner did not get equal treatment of the Law(s) — see U.S.S.C. APPENDIX 'M' — page i — Appendixes shown thereon — D, E, F, G, H, I, J, K, K-2, L; others;

g. attached U.S.S.C. APPENDIX 'M' — in its entirety.

B. JUST COMPENSATION legally DUE AND OWING this Petitioner (because of the situation(s) CREATED by those described in "4A" above) as itemized in attached U.S.S.C. APPENDIX 'M' beginning at page 10 item IV) "STATEMENT FOR JUST DUE AND OWING DEBTS TO ALFRED A. ROBERTS FROM THE STATE OF OHIO" ETC." is unquestionable according to the existing LAW(S) and/or RECORDS, among others, for reasons explained in item '4-A-a thru f' on page 8 of this petition. Simply stated those described in item '4A' of this petition have not only discriminated against this petitioner, but have and/or are continuing, in the manner stated in '4A' of this petition deprived him of his Constitutional Rights under Amendments of our United States Constitution V, IX, XIV, VI, VIII; other(s). They arbitrarily refuse to honor a written contract(s).

a. QUESTION PRESENTED NO. 21 — How much worse can they get?? See attached U.S.S.C. APPENDIX 'M'

beginning at page 14 item VI for "Questions Presented" 1 thru 20 inclusive.

5. Therefore, this petitioner again respectfully requests this Honorable Court to act:

A. preferably as requested in attached U.S.S.C. APPENDIX 'M' page 5 item 'I-4' — Alternate No. 1 and/or

B. page 7 thereof Alternate No. 3 — for the additional reasons; those described in said U.S.S.C. APPENDIX 'M' page 6 items 'I-5A thru D' inclusive.

II.

NOTE — PETITIONER IS REPEATING ITEMS 12, 13 AND 14 THAT FOLLOW FOR THE PURPOSE OF EXPEDIENT ANALYSIS BY THIS COURT.

14. February 5, 1976 — Petitioner submitted to this Court by certified mail No. 039561 — "Addendum to U.S.S.C. APPENDIX 'M'. It contains (8) eight total pages. It is marked U.S.S.C. APPENDIX 'M-1'. The following (2) two items were appended thereto. See pages 2 and 3 thereof:

A. U.S.S.C. APPENDIX 'M-2' — a photocopy of the entire 182 page trial transcript;

B. U.S.S.C. APPENDIX 'C-1' — "PROPERTY OWNER'S EXHIBIT NO. 2 — with Commercial front added.

15. THE FOLLOWING "EXHIBITS OF THE PROPERTY OWNER" (NO. 1 THRU NO. 5 INCLUSIVE) COMBINED WITH "JOINT EXHIBIT NO. 1" — PERMITS (AND IN FACT DEMANDS) THAT THE JURISDICTION OF THIS COURT TO BE INVOKED. THE FOLLOWING CONTRIBUTE FURTHER PROOF BEYOND DOUBT THAT JUST COMPENSATION TO THIS PETITIONER AS DEMANDED UNDER AMENDMENT V OF OUR UNITED STATES CONSTITUTION IS APPROXIMATELY AS STATED BY THIS PETITIONER IN HIS UPDATED ITEMIZED — "STATEMENT FOR JUST DUE AND OWING DEBTS TO ALFRED A. ROBERTS ETC." IN ATTACHED U.S.S.C. APPENDIX 'M' BEGINNING AT PAGE 10 ITEM IV. The following described 'EXHIBITS' were all shown as offered to admission into evidence in the Trial Transcript Page 107 lines 6 thru 10 inclusive. Petitioner refers to the OTHER portions of the Trial Transcript in which reference is made to the said exhibits as such — (R pg. 00 lines 0 - 00):

A. PROPERTY OWNER'S EXHIBIT NO. 1 — (R. pg. 27 line 1 to pg. 38 line 7) — is a Topographic map of uncontroverted and incontrovertible data of ENGINEERING FACT (NOT OPINION) compiled by Mr. Harold Strohecker, Registered Engineer and Registered surveyor experienced in sub-division work. This data of ENGINEERING FACT can still be proved or disproved as of this date. The said map is

dated April 22, 1972. In that regard; the jury WERE NOT COMPRISED OF PEERS OF THIS PETITIONER OR OF MR. STROHECKER. Therefore this petitioner believes that (because the jury was not comprised of peers of this petitioner or Mr. Strohecker) according to our United States Constitution and/or by statute, at the very least, the trial was illegal, null and void. Based on this — this petitioner respectfully requests, at the very least, a new trial. Based on this; this petitioner respectfully, again, requests this Court to proceed according to Alternates 1 and/or 3 described in attached U.S.S.C. APPENDIX 'M' page 5 and/or 7.

B. PROPERTY OWNERS' EXHIBIT NO. 2 — (R pg. 38 line 8 thru pg. 56; pg. 21 line 11 thru pg. 72 beginning line 15 thru pg. 76) is a plan of the petitioners land that shows one of the "Highest and Best Uses" (of his land) as a six-plex apartment complex. This Exhibit shows, among other things, the roads, topography (of the land), existing and proposed grades, sanitary sewers, laterals, storm sewers and storm sewer laterals, etc. This Exhibit No. 2 combined with Exhibits No. 1 and No. 3 would be referred to in ENGINEERING — BUILDER-LAND DEVELOPER terminology, as "WORKING DRAWINGS". All the appraisers who testified agree this plan was one of the Highest and Best Uses of petitioners land. According to Mr. Kroeck's testimony (Kroeck testified in behalf of the State and/or our Federal Government) (R pgs. 129, 130 and 135 lines 10 thru 13) — This is a very conservative plan (Kroeck testified 'APPENDIX B' is the highest and best use of petitioners land. Of course this even worsens the States Case because this petitioner had forwarded to Mr. Thorne, Mr. Richley and others this plan with certified letter dated November 14, 1973 see attached U.S.S.C. Appendix 'M' — Index pg. ii (Appendix O paragraph one thereof) (also see the other numerous certified letters referred to in the INDEX). Back to Kroeck's testimony. Kroeck further testified (R pg. 145 lines 9 thru 23; pg. 146 lines 1 thru 10) that the front; — (part of the six acres which were totally destroyed because of

the highway cut) was COMMERCIAL LAND. Mr. Roche agreed (R pg. 68 lines 23 thru line 7 of pg. 69). Also see (R pg. 71 lines 1 thru 23; pg. 72 lines 1 thru 16). Mr. Strohecker showed by uncontroverted and incontrovertible ENGINEERING FACT (NOT OPINION) that six acres (of which that COMMERCIAL LAND, according to Kroeck's testimony, is a part) was totally destroyed because of the highway cut. Numerous parcels of Land (of which this petitioner has knowledge and which are of official public records) within one mile to the south and a parcel to the north, of petitioners land, were sold for between approximately \$31,930 per acre to \$80,640 per acre. The jury awarded this petitioner (\$417) Four hundred Seventeen and 00/100 per acre x 6 acres destroyed = \$2500 for six acres totally destroyed. How could this possibly be JUST COMPENSATION as is demanded under Amendment V of our United States Constitution?: (See pg. 41 — Q. No. 25).

a. when even Mr. Kroeck admitted (R 115 lines 13 thru 20) the selling price of the lands he had entered in evidence were for lands that IN FACT WERE NOT COMPARABLE TO THE PETITIONERS LAND:

b. even Mr. Kroeck placed a value on the front part of petitioner's land (R pg. 123 lines 13 and 14) at \$6,750 per acre. If the jury had based their award on the evidence at the trial — the very least they would have awarded petitioner would have been \$6,750 per Acre x 6 acres destroyed = \$40,500.

For further details see "INTRODUCTION" — I pg. 5 item "3Bd". For the specific numerous parcels of land that were sold for between approximately \$31,930 to \$80,640 per acre and petitioners analysis thereof as well as other contributing factors to assist this court in determining JUST COMPENSATION to this petition — see pg. 27 item 20A.

But this still isn't the issue of PRIME importance and concern to this petitioner. For the issues of PRIME importance and concern to this petitioner; your attentions are

respectfully directed to the following:*

- a. "Summary of Final Conclusion"-pg. 46 items "A&B";
- b. attached U.S.S.C. APPENDIX 'M' beginning at page 10 item IV. Then to pages thereof 5 Alternate No. 1 and/or page 7 alternate No. 3.
- c. attached U.S.S.C. APPENDIX 'A'; "PROPERTY OWNERS' EXHIBITS No. 3, 4 and 5 that follow.

C. PROPERTY OWNERS' EXHIBIT No. 3 - (R pg. 44 beginning at line 9 thru pg. 56 (Strohecker); Silvestri - pg. 78 line 1 thru pg. 80; (Reinman - beginning at pg. 18 thru pg. 33) - is the "PROFILE AND PLAN" that shows, among other things, existing grades and proposed grades, cut and fill required, existing and proposed manholes; existing and proposed storm catch basins, elevations etc. This "PROFILE AND PLAN" works in conjunction with and explains to an Engineer and/or Builder - Land Developer (or other such professional experts) the necessary facts help full (to Exhibit No. 2) in sub-dividing a parcel of land. That is it contributes details for a clearer understanding of the "WORKING DRAWINGS" marked "PROPERTY OWNERS EXHIBIT No. 2". Again - drawings Property Owners Exhibits No. 1, 2 and 3 are in and of themselves and/or are based on ENGINEERING FACT (NOT OPINION) that can still be proved or disproved as of this date.

NOTE REGARDING "PROPERTY OWNERS' EXHIBITS 1, 2, 3". YOUR ATTENTIONS ARE RESPECTFULLY DIRECTED TO THE DATES ON SAID EXHIBITS. YOU WILL NOTE THEY ARE AS FOLLOWS:

1. Exhibit No. 1 - April 22, 1972; 2. Exhibit No. 2 - January 12, 1973, 3. Exhibit No. 3 - January 1974. First - Exhibits 2 and 3 are merely modified revisions of Exhibit

*see Unconstitutional acts of Congress pg. 32 item 22

No. 1 dated April 22, 1972 (the date of the trial was March 1974). The purpose of the said plans were merely to show ONE of the "Highest and Best Uses" of petitioners land and ONE way in which it could be sub-divided to conform with existing Laws and other conditions. That is the PRIME PURPOSE OF THE DESCRIBED EXHIBITS was merely to point out ONE of the OPPORTUNITY(IES) of which the REMAINING LANDS for the purpose of supporting the OFFER(S) this petitioner made to the State of Ohio and/or our Federal Government and others on page 17 of 20 of the Certified Letter dated November 14, 1973 - (see attached U.S.S.C. APPENDIX 'M' - INDEX thereof page ii item "0" for reference to that letter). This (offer(s) etc.) was repeated to those described in this petition - page 3 item "I-2D" on not less than several occasions, including as explained in attached U.S.S.C. APPENDIX 'A' beginning at page 3 thereof. Secondly - all three of the said Exhibits are REVISIONS of the original survey, maps and plans accumulated prior to or about 1950 by George Montgomery (Registered Engineer and Registered surveyor) (and/or other Engineering firms(s). Mr. Montgomery was assisted by Alfred A. Roberts, Frank P. Roberts (father of Alfred A.) and other(s) during that time as well as during the topographic re-appraisal in or about 1962. Mr. Montgomery re-surveyed the original survey of 1950 in or about December 1962. Petitioner has one of those original re-surveys in his possession. The original plans for the land were revised as herein described (for the purpose of meeting the revised requirements of the Mahoning County Planning Commission and for meeting other changed conditions) and updated in or about - April 1954; January 1963; (Exhibit No.1) - April 22, 1972; (Exhibit No. 2) - January 12, 1973; (Exhibit No. 3) - January 1974.

2. The contents of the foregoing paragraph is further supported by the following:

A. (R pg. 97 beginning at line 9 thru 14); Also regarding fill dirt see/(R pg. 106 lines 14, 15, 16; pg. 18 thru pg. 33;

and the entire transcript), Certified Letters described on page ii of the INDEX of attached U.S.S.C. APPENDIX 'M';

B. Numerous Negotiators Reports shortly after April 17, 1971 (shortly after the State of Ohio made their offer of approximately \$6,725 — which they refused to revise). See said negotiators reports — the negotiator for the State of Ohio and/or our Federal Government refused to accept the above described plans for the purpose of re-assessing their ridiculous appraisals and offer. See Certified letter No. 580814 dated 4/17/71 AA R to the State of Ohio. That letter proves beyond doubt — the State of Ohio wasn't interested in determining JUST COMPENSATION, or permitting petitioner the right to represent himself as counsel in behalf of himself (see *State of California vs. Anthony Pasqual Faretta* — attached U.S.S.C. Appendix A pg. iii in this regard);

C. correspondences with Division 4 of the Department of Transportation of the State of Ohio since or about 1962;

D. attached U.S.S.C. APPENDIX 'A' beginning at page 23 item II;

E. other(s)

3. Simply stated, it appears, those described on page 3 of this petitioner item "2D" weren't interested in negotiating "IN GOOD FAITH" or "JUST COMPENSATION" to this petitioner as is "DEMANDED" under Amendment V of our United States Constitution; but preferred to "CREATE A LAWSUIT" for the purpose of leaving Just Compensation "ILLEGALLY" to chance and guess or conjecture. The contents of the lawsuit, trial transcript and appeals thru the three State Courts (as herein explained) support this beyond doubt. Under these specific circumstances in this specific matter (those described at page 3 of this petition item "2D" — at the very least were negligent as employees of our Federal

Government. Further they have (in the opinion of this petitioner) "ILLEGALLY EATEN THEIR CAKE"; still have it "ILLEGALLY" and are trying to "USE" this Honorable Court to continue to keep it "ILLEGALLY" — all at the total expense of this petitioner.

D. PROPERTY OWNERS' EXHIBIT NO. 4 — (R pg. 88 beginning at line 20 thru page 91) — is one of two AERIAL PHOTOGRAPHS entered in evidence. Exhibit No. 5 is the other. Mr. Thorne approved the admission of both of these exhibits in evidence (R pg. 107 lines 11 thru 15). The attention of this Court is respectfully directed to the said Aerial photograph — Exhibit No. 4. When holding this photograph (as normally held for viewing), North is located at the Left. It is suggested you place this photograph in such a position you can view and compare it simultaneously with PROPERTY OWNERS' EXHIBIT NO. 2. Your attentions are respectfully directed to the intersection of South Ave. (S.R. 164) where it intersects with Lake Park Road and forms the "Y". The said "Y" can be seen in the said photograph at the extreme left-hand edge. By referring to this photo and Exhibit No. 2 simultaneously, you will note petitioners parcel extends from the said "Y" (at South Avenue — Lake Park Road) in an easterly direction to where the house can be seen. Some of those houses abut petitioners most easterly Property Line. The area cleared for construction of the highway is clearly distinguishable. The highway take area can be more accurately identified by referring to Exhibit No. 2 as it is related to and significantly effects this petitioners REMAINING LANDS. To the north of petitioners parcel you can see the Industrial Development referred to by Mr. Roche (R pg. 69 lines 3 and 4). At least a part of the said area is owned by former Common Pleas Judge Sidney Rigelhaupt-Velma Davis wife of Builder-Developer D.D. Davis. The State of Ohio took and/or provided so others could take fill earth that has a value of approximately \$72,000 from Petitioners land to the REMAINING LANDS of said Judge Rigelhaupt-Velma Davis against the objection by certified mail by this petitioner. For details see:

a. Property Owners Exhibits No. 4 and 5 — (they are AERIAL PHOTOGRAPHS);

b. Topography map of the said area by Baker Engineering Company. Baker Engineering Company did the topography work for the State of Ohio in the Construction of the Highway;

c. attached U.S.S.C. APPENDIX 'A' beginning at page 2 item 2,

d. attached U.S.S.C. APPENDIX 'M' — page ii of the 'INDEX' thereof — Appendix "O" (it is the 20 page certified letter dated 11/14/73); Appendixes P thru W inclusive;

e. approximately 200 "PROGRESS PHOTOGRAPHS" taken by this petitioner during the construction of the highway. By coordinating the "PROGRESS PHOTOS" with the negotiators reports and the certified letters described on page ii of the "INDEX" of attached U.S.S.C. APPENDIX 'M'; they prove further beyond doubt the State of Ohio and/or our Federal Government, at the very least, injured this petitioner negligently (and IN FACT MALICIOUSLY — in the opinion of this petitioner). That the \$417 per Acre or \$157 (awarded by the jury, see U.S.S.C. APPENDIX 'A' beginning at pg. 23 item II, for the total destruction to this petitioner of the OPPORTUNITY to have each said six-plex lot) at petitioners REMAINING LANDS is ridiculous. That Just Compensation as DEMANDED under Amendment V of our U.S. Constitution is in fact approximately as shown in attached U.S.S.C. APPENDIX 'M' beginning at page 10 item IV.

Now back to Exhibit No. 4. Please take a ruler and measure from the left hand edge of the photograph on South Avenue in a southerly direction 6-7/8". That will be the intersection of South Avenue and Mathews Road. You can see (from this Aerial photo) the following — on the S-E Corner a Shopping Plaza; on the N-E corner a Gas Station; on the S-W corner

another smaller shopping center; on the N-W corner another shopping center. The said intersection of South Avenue and Mathews Road is located (by odometer reading) approximately 8/10 of one mile south of petitioners land. Three separate parcels of land were sold at the N-W corner during the same period the sales entered in evidence by Mr. Kroeck occurred and which Mr. Kroeck admitted were not comparable to petitioners land (R pg. 115 lines 19 and 20). The selling price PER ACRE of these three parcels of land at the N-W corner or South Avenue and Mathews Road were approximately as follows — \$31,830.00; \$36,000.00; \$45,714.00. One parcel located approximately 8/10 of one mile north of petitioners land (by odometer reading) was sold for approximately \$80,640.00 per Acre. The selling price for two other parcels located approximately 1.8 miles south of petitioners land (by odometer reading) were — approximately \$32,608.00 per acre and \$41,095.00 per Acre. The parcels which Mr. Kroeck entered in evidence occurred during about the same period in which the foregoing sales occurred. Mr. Kroeck entered in evidence two parcels of land located on Walker-Mill Road (R pg. 119 lines 1 and 12 and 13). Mr. Kroeck testified (R pg. 119 line 1) those parcels are located approximately 1-1/4 mile from petitioners land. Petitioner checked them by odometer and found them to be located approximately 3 miles South of petitioners land. Mr. Kroeck also entered in evidence (R pg. 117 lines 9 and 10) another parcel on Mathews Road. That parcel is located approximately 1.8 mile from petitioners land by odometer reading. Petitioner (who has extensive experience in million dollar land develop-project) etc. (see final arguments) visited the said parcel on the evening of the same day it was entered in evidence by Mr. Kroeck. Petitioner observed that there was no comparable relationship whatsoever between that parcel and the petitioners parcel before construction of the Highway. See (R pg. 151 beginning at line 6 thru page 158). Especially see (R pg. 152 lines 10 thru 12, petitioner was asked to observe the photo pg. 151 lines 19 and 20. Petitioner observed the name "Miracle Company"

on it in print. See Cert. Ltr. dated 4/17/71 AA R to the State. Mr. Miracle was the other appraiser for the State. He did not testify at the trial; (R pg. 152 line 4 & 5; pg. 153 line 5 thru page 158). Your attentions are directed to the streets running in a westerly direction off of South Avenue approximately 4-7/8" from the left edge of the photo on South Avenue. These streets are named Afton, Meyer, and Cook. They are located within approximately 6/10 of one mile of petitioners land. The said streets are zoned R2 (same as petitioners land). The said lots are only 110 feet deep. The Mahoning County Planning Commission requires lots to be a minimum of 150 feet deep. All the lots shown on Exhibit No. 2 meet the said Planning Commission requirements. Numerous lots were sold on those streets for between \$100 and \$125 per front feet. Petitioner arrived at a NET acre value by using the selling price of these lots as a basis. That is petitioner deducted the cost to develop the land from the Gross sales price. He determined the net selling price per acre of that land was approximately \$16,000.00 per acre. \$16,000 per acre x 6 acres destroyed = damages at REMAINING LANDS, among others \$96,000. The only purpose of these calculations are as a cross check to further prove the \$417 award by the jury for destruction of petitioners REMAINING LANDS is ridiculous even if Amendments XIV and IX of our United States did not exist. Petitioner will analyze the foregoing sales and other factors further in this petition on page 27 item 20 for the purpose of assisting this court to arrive at reasonable compensation to this petitioner; since Just Compensation as demanded under Amendment V is no longer realist (as stated by this petitioner in this petition beginning at page 3 item "I-2D"). The ultimate purpose of said analysis will be for the purpose of accomplishing the end results explained at said page 3.

E. PROPERTY OWNERS' EXHIBIT No. 5 - (R pg. 88 beginning at line 20 thru page 91) - is the second of the two "AERIAL PHOTOGRAPHS" entered in evidence. It has already been explained in the foregoing item "D"

page 19. It is a more northerly view of the site and surrounding areas as related to Exhibit No. 4.

16. THE STATUTES INVOLVED on which Jurisdiction of this Court is invoked are, but not limited to, those which follow:

- A. 28 U.S.C. 1254(1) and/or
- B. 28 U.S.C. 1254(3) and/or
- C. 28 U.S.C. 1257(1) and/or
- D. 28 U.S.C. 1257(2) and/or
- E. 28 U.S.C. 1257(3) and/or
- F. 28 U.S.C. 2403 maybe applicable
- G. 28 U.S.C. 1252 and/or
- H. 28 U.S.C. 1651 and/or

I. This Petitioner questions the Constitutionality of Act(s) of Congress in this specific action(s) and/or in general as related to this specific matter(s); and/or others.

17. THE CONSTITUTIONAL PROVISIONS on which Jurisdiction of this Court is invoked are, among others, those which follow - Amendments of our United States Constitution V, VI, VIII, IX, XIV; Petitioner was discriminated against, and/or other(s). (see item 19 that follows for citations).

18. OTHER REASON (S) INVOLVED FOR WHICH JURISDICTION OF THIS COURT IS INVOKED ARE, AMONG OTHERS, THOSE WHICH FOLLOW:

A. especially because, this petitioner believes, those described in this petition at "I-pg. 3 item 2D" **CREATED THE LAWSUIT** and **CREATED** conditions that made it necessary for this petitioner to go thru three State Courts and finally to this Court before he could get reasonable justice and reasonable compensation (instead of **JUST COMPENSATION** and **TOTAL JUSTICE** as is **DEMANDED** under our

United States Constitution and/or other parts of the laws). Whereas had they heeded petitioners numerous telephone calls (many by Long Distance), the numerous certified letters beginning with the Certified Letter No. 580814 dated 4/17/71 AAR to the State of Ohio, at least made an ATTEMPT to honor their agreements beginning in or about 1955 (as they are related to our U.S. Constitution) and/or negotiated in GOOD FAITH — then in that event this petitioner could have accomplished satisfactory end results in early 1971 at a great total savings both to the taxpayers of the State of Ohio and/or our Federal Government as well as to this petitioner.

B. Rules of the United States Supreme Court No. 19 and/or 20 and 21 and/or 50;

C. Because those described in this petition "I-pg. 3 item 2D" have showed complete disregard for this petitioners Constitutional Rights. In fact they have renounced him full citizenship in America without just cause and/or without due process for renouncing his full citizenship;

D. This petitioner questions the Constitutionality of Act(s) of Congress in this specific action(s) and/or in general as they are related to this matter(s).

E. Those described and/or explained in attached U.S.S.C. APPENDIXES 'A' and 'M'. They are made a part of this petition(s) as if they were totally re-written herein.

19. SUPPORTING CITATIONS, EXPERT AUTHORITY (IES) AND NON-ADHERENCE (S) TO FEDERAL LAW INVOLVED — FOR WHICH THE JURISDICTION OF THIS COURT IS INVOKED ARE, AMONG OTHERS, THOSE WHICH FOLLOW — (see attached U.S.S.C. Appendix 'M' pg. 10-IV for "JUST COMPENSATION—CREATED" by and for reasons explained therein):

A. STATE OF CALIFORNIA v ANTHONY PASQUALL FARETTA — U.S. Supreme Court Ruling June 30, 1975.

Opinion delivered by Mr. Justice Stewart. For details see the following:

b. attached U.S.S.C. APPENDIX 'A' — INDEX thereof pg. iii item "N";

d. attached U.S.S.C. APPENDIX 'M' pg. 9 beginning at item "III-7" and page 14 beginning at item VI — "Questions Presented",

e. attached (2) two page Certified Letter No. 580815 dated 4/17/71 — AAR to State of Ohio. A copy is attached to each of the (60) Sixty copies filed with this petition. It is marked U.S.S.C. APPENDIX A-2;

B. THE SHERMAN ANTITRUST ACT(S) AS AMENDED
See attached U.S.S.C. APPENDIX 'A' beginning at page 1 for details in this regard;

C. THE JURY WAS NOT COMPRISED OF PEERS OF THIS PETITIONER (see closing argument by Mr. Harshman) and/or of MR. HAROLD STROHECKER — REGISTERED ENGINEER AND REGISTERED SURVEYOR EXPERIENCED IN SUB-DIVISION WORK. (R pg. 34 thru 54; pg. 107 lines 6 thru 10, This Petition pg. 17 item 1 — where it starts — "Secondly etc." See roster of jurors who served. The Jury was comprised of housewife(ives); waitress(es); barmaid(s), semi-skilled mill employee(s). There wasn't even one professional person and/or one with knowledge of sub-division work on the jury. Therefore "JUST COMPENSATION", which is DEMANDED according to Amendment V of our United States Constitution, was ILLEGALLY left to

chance and/or guess and conjecture. It is obvious, from the jury verdict) especially regarding petitioners' REMAINING LANDS that the jury did not comprehend what was going on at the trial. That is the jury left "JUST COMPENSATION" to chance and/or guess and conjecture. The State Courts know this is NOT LEGAL. Furthermore this, among numerous other things, was specifically pointed out to The judges of the Seventh District Court of Appeals in "BRIEF OF DEFENDANT-APPELLANT" pg. 8 par. 3. This is notwithstanding the fact that the jury nor anyone (other than this petitioner) can place a value on this petitioners REMAINING LAND because of the specific circumstances in this action(s) as explained beginning at page 6v thru 7 of this petition. The State Courts and the Office of the Attorney General of the State of Ohio know this. Furthermore it was directed to their attentions on not less than on one other occasion in writing (and in fact on numerous occasions). See (20) twenty page Certified Letter dated 11/14/73 — This Letter is referred to as Appendix 'O' in the INDEX pg. ii of attached U.S.S.C. APPENDIX 'M'. Also see attached U.S.S.C. APPENDIX 'A' pg. i item "A" thereof. Hence petitioner was at the very least, deprived of his Constitutional Rights negligently (and in fact maliciously) under Amendment VIII, as well as under Amendments V, VI, XIV and IX. That is mental anxiety and duress were inflicted upon him. For further support of this item "C" see the following:

20. THIS "SUGGESTED GUIDE AND ANALYSIS TO DETERMINE REASONABLE COMPENSATION", TO THIS PETITIONER, IS RESPECTFULLY SUBMITTED TO THIS COURT, SINCE THOSE DESCRIBED AT PAGE 3D CREATED THIS CONDITION (WORSE THAN THE WATER-GATE MATTER) THAT MAKE "JUST COMPENSATION" AS DEMANDED UNDER AMENDMENT V OF OUR U.S. CONSTITUTION NO LONGER REALISTIC AS AND FOR REASONS EXPLAINED IN THIS PETITION BEGINNING AT PAGE 3D and continued IN THIS "JURISDICTIONAL STATEMENT" AT PART II BEGINNING AT PAGE 10. THEREFORE THIS COURT IS RESPECTFULLY REQUESTED TO CONSIDER THE FOLLOWING — (see attached U.S.S.C. Appendix 'M' pg. 10 — IV for "JUST COMPENSATION" to this petitioner "CREATED" by those described therein for reasons explained therein):

A. THE FOLLOWING ARE THE SPECIFIC PARCELS OF LAND DESCRIBED IN THIS PETITION ON PAGE 15 THAT WERE SOLD FOR BETWEEN APPROXIMATELY \$31,832.00 and \$80,640.00 PER ACRE. THE PARCELS PRECEDED BY ** CAN BE SEEN IN THE "AERIAL PHOTOGRAPHS" — "PROPERTY OWNERS' EXHIBITS NO. 4 AND/OR 5" AS EXPLAINED ON SAID PAGE 15.

a. Herbert Dalzell to The Mahoning National Bank — located by odometer reading approximately 8/10 of one mile north of petitioners land. Selling price \$135,000.00 for 1.674 acres. Selling Price per acre\$80,640.00

****b.** Phillips Petroleum Co. to Attorney Albert Ortenzio — located by odometer reading approximately 8/10 of one mile south of Petitioners land. Selling price per acre approximately\$36,000.00

****c.** Phillips Petroleum Co. to Frank A. & Anthony Rulli — by odometer reading approximately 8/10 of one mile south of Petitioners land. Selling price per acre approximately\$31,830.00

****d.** Phillips Petroleum Co. to Carl Santucci & Bernardine Rossi — by odometer reading located approximately 8/10 of one mile south of petitioners land. Selling price per acre approximately\$45,714.00

****e.** Afton, Moyer and Cook Avenues — by odometer reading located approximately 6/10 of one mile south of Petitioners land. Too numerous to name. Will furnish list on request. See page 22 of this petition for details. Selling price per acre approximately\$16,000.00

f. Gwen Morgan to Mayo & Orvets (A Real Estate Agency) — by odometer reading located approximately 1.8 miles south of petitioners land. Sell price per acre approximately\$32,608.00

g. Margaret Leyshon to Mayo & Orvets (Realtors) — by odometer reading located approximately 1.8 miles south of petitioners land. Selling price per acre approx.\$41,095.00

****h.** Former Common Pleas Judge Sidney Rigelhaupt's parcel of land is located approximately 300 feet north of this petitioners land (R pg. 106 lines 15 & 16; pg. 35 thru 50). Attached U.S.S.C. APPENDIX "A" beginning at page 2 prove, among other things, DISCRIMINATION AGAINST THIS PETITIONER by those described on page 3 item "D" of this petition. (R pg. 106 lines 15 & 16 and pgs. 35 thru 50) combined with the the Certified letters Appendix "O" and

****signifies** these parcels can be seen in the "AERIAL PHOTOGRAPHS" — "Property Owners' Exhibits 4 and/or 5.

the others prove WILLFUL, WANTON AND MALICIOUS OBSTRUCTION OF JUSTICE AND/OR INJURY TO THIS PETITIONER. Judge Rigelhaupt received from and/or because of construction of the highway (plus more important considerations explained in attached U.S.S.C. APPENDIX 'A' beginning at page 14 item 'I-7') per acre . \$17,000.00

****i.** Reverend C. Bohachevsky owned land approximately 300 feet south of Petitioners land. Approximately two acres was taken because of construction of the highway. Mr. A.E. Reinman (the same appraiser who appraised this petitioner's land) — (R pgs. 6 thru 33) appraised the said parcel for Mr. J. Phillip Richley, Director of Transportation for the State of Ohio, personally, at \$8,000.00 per acre (R pg. 15 beginning at line 11 thru page 16). For further details see attached U.S.S.C. APPENDIX "A" beginning at page 2. This combined with the certified letters described above prove further that those described on page 3 item "D" of this petition DISCRIMINATED AGAINST THIS PETITIONER AND/OR INJURED THIS PETITIONER WILLFULLY, WANTONLY AND MALICIOUSLY. Appraisal price of the Bohachevsky parcel by Mr. Reinman per acre \$8,000.00

B. IT IS UNCONTROVERTED AND INCONTROVERTIBLE "ENGINEERING FACT AND NOT OPINION" that can still be proved or disproved that this petitioner will have to pay out approximately \$205,000.00 to fill the (6) six acres of his REMAINING LANDS so he can drain the sanitary effluence therefrom into the existing sanitary mains (R pg. 36 thru 56, 47 line 1, Amendments XIV & IX; attached U.S.S.C. APPENDIX "A" pg. 14 item I-7; attached U.S.S.C. APPENDIX 'M' pg. 10-IV) destroyed WILLFULLY, WANTONLY AND MALICIOUSLY because of construction of the highway.\$205,000.00

****signifies** these parcels can be seen in the "AERIAL PHOTOGRAPHS" — "Property Owners' Exhibits 4 and/or 5.

C. PETITIONER WILL HAVE TO PAY OUT TO PURCHASE AND INSTALL THE 60" CULVERT TO RECEIVE THE FILL DIRT described in "B" above so petitioner can have the OPPORTUNITY to use his REMAINING LANDS AS DEMANDED BY AMENDMENTS OF OUR UNITED STATES CONSTITUTION XIV AND IX. This cost to this petitioner is CAUSED because of construction of the highway and/or those described on page 3 item "D" of this petition. For details see "PROPERTY OWNERS' EXHIBITS 1, 2 and 3. Cost to petitioner to purchase and place the 60" culvert that was not necessary before construction of the highway (R 34 thru 50; 107 lines 6 thru 10; 106 lines 15&16; 6 thru 32, 57 thru 94; 77 thru 80; 96 thru 104; 109 thru 163)\$30,000.00

D. SEE PLAN U.S.S.C. APPENDIX C-1 WITH THE OVERPASS AND COMMERCIAL FRONT AREA ATTACHED TO "PROPERTY OWNERS EXHIBIT NO. 2" AND THIS PETITIONERS NOTES THEREON. Those described in attached U.S.S.C. APPENDIX 'M' pg. 10-IV WILLFULLY, WANTONLY AND MALICIOUSLY placed limitations on petitioners' OPPORTUNITY to use his REMAINING LANDS without limitations as DEMANDED under Amendments XIV and IX of our United States Constitution. Those described in "M" pg. 10-IV, therefore, continue to WILLFULLY, WANTONLY AND MALICIOUSLY prosper at the total loss and expense to this petitioner (R - same as 'C' above; Certified Letters Appendixes "O thru V" inclusive; this petition pg. 6v; attached U.S.S.C. Appendix 'M' - pg. 10-IV, pg. 5 Alternate No. 1, pg. 7 Alternate No. 3). It will cost this petitioner to build the overpass shown on said Appendix C-1, so he can have the "OPPORTUNITY to use his REMAINING LANDS" without limitations per Amendments XIV and IX; and the amount by which those described in this petition pg. 3 item D will prosper at the total loss and expense to this petitioner is approximately\$500,000.00

E. THIS PETITIONER WAS DISCRIMINATED AGAINST AT THE 2.026 ACRE TAKE AREA PROPER; since (see pg. 29 of this petition items "Ah and i") Judge Rigelhaupt and Reverend Bohachevsky were paid by those described on page 3 item "D" of this petition approximately \$8,000 per acre x 2 acres taken from Petitioner by change of deed = \$16,000 — \$9,500 award to petitioner by jury = approximate minimum additional compensation petitioner should receive for this item to correct this DISCRIMINATION.....\$6,500.00

F. The State of Ohio and/or our Federal Government saved (because they didn't pay interest on Bonds which would have been required to finance the cost of the items described in this petition items "20 B,C,D and E") because they ARBITRARILY REFUSED TO NEGOTIATE IN GOOD FAITH for the approximate period of April 1971 thru April 1976. Petitioner could have, at the very least, invested that money (reasonable Compensation) in U.S. SAVINGS BONDS at 6% interest. Loss to Petitioner and gain to those described in this Petition Page 3 item "D" because of that loss to this Petitioner approximatelyTo be determined

G. Increase in cost to petitioner for approximate period April 1971 to April 1976 to build the Apartments at Petitioners REMAINING LANDS (See U.S. DEPARTMENTS OF COMMERCE RECORDS) — petitioner explained and forwarded the State of Ohio and/or our Federal Government (that he would hold them responsible for this increase, because it is legally due and owing to him, if they forced him to litigate to recover that obviously justly due and owing debt) in the twenty page Certified Letter dated November 14, 1973. The said letter is marked Appendix "O"To be determined

H. Same as "F and G" above for the approximate period 1955 thru April 1971. For details see attached U.S.S.C.

APPENDIX "A" beginning at page 23 item II thru pg. 35 thereofTo be determined

21. SINCE THOSE DESCRIBED IN THIS PETITION PAGE 3 ITEM "D" HAVE "CREATED" THIS RIDICULOUS SITUATION AS THEREIN DESCRIBED: FOR THE PURPOSE OF ACHIEVING REASONABLE JUSTICE, WITHOUT FURTHER CREATED INJUSTICES — (SINCE TOTAL JUSTICE AND JUST COMPENSATION ARE NO LONGER REALISTIC) — THIS PETITIONER RESPECTFULLY DIRECTS THE ATTENTION OF THIS COURT TO PAGE 32 ITEM 22 IN THIS PETITION — "UNCONSTITUTIONAL ACT(S) OF CONGRESS". PETITIONER THEN RESPECTFULLY RE-DIRECTS THE ATTENTION OF THIS COURT, IN THE ORDER THAT FOLLOW, TO ATTACHED U.S.S.C. APPENDIX "M" — PAGE 10 ITEM IV: PAGE 5 ALTERNATE NO. 1; PAGE 7 ALTERNATE NO. 3.

22. THIS PETITIONER DECLARES THE ACT(S) (AND/OR FAILURES TO ACT) OF CONGRESS UNCONSTITUTIONAL UNDER, BUT NOT LIMITED TO, TITLE 28 U.S.C. 1252 (IN GENERAL AND/OR AS APPLIED IN THE SPECIFIC ACTION(S) DESCRIBED IN THE CAPTION). PETITIONER BASES THESE DECLARATION(S) ON, BUT NOT LIMITED TO, THE FOLLOWING — (see "Final Conclusion — pg. 42 of this petition item 24):

PETITIONER DECLARES THAT THE ACT(S) OF CONGRESS THAT PROVIDED for the funds allotted to the State of Ohio for construction of the interstate highway described in the caption and the provisions for disbursement thereof was and continues to be UNCONSTITUTIONAL (In general and/or) as applied in these specific action(s) because, among other reasons, although Congress (probably) is permitted (under the law(s) of Eminent Domain to provide so the State of Ohio and/or our Federal Government

can take the 2.026 acres of this petitioner approximately (12) Twelve total acres of land for construction of the interstate highway in question; Congress is also obligated to this petitioner to provide (at the very least whenever realistically possible) so petitioner will not be deprived of his Constitutional rights (especially in his REMAINING LANDS) under any and/or all Amendments of our United States Constitution. Congress could have so provided by properly controlling the disbursement of funds allotted to the State of Ohio for this appropriation project. But Congress did not so provide. As a result this Petitioner was deprived of his Constitutional Rights (to have the "OPPORTUNITY" to use his REMAINING LANDS) under not less than one of the following Amendments of our United States Constitution that follow— V, VI, VIII, IX, XIV and others. Further — because of "UNCONSTITUTIONAL ACTS (AND/OR FAILURES TO ACT) BY CONGRESS"; those described in this petition page 3 item 'D' performed in conflict with the context of taking of Property in the Constitutional sense, "ACCORDING TO OUR UNITED STATES SUPREME COURT", as explained in this petition beginning at the top of page 4 item ii. For further details see the following:

1. attached U.S.S.C. APPENDIX 'A' beginning at page 23 item II,
2. this petition beginning at page 6 — 'v';
3. the entire contents of this petition including "PROPERTY OWNERS EXHIBITS 1, 2, 3, 4, 5," and the attachments hereto, (R pg. 107 lines 1 thru 10); (see this petition pg. 13 for other references to the said Exhibits 1,2,3,4,5).

THE FOLLOWING IS A SUMMARY OF AND/OR ARE SOME ADDITIONAL SPECIFIC "UNCONSTITUTIONAL ACTS (AND/OR FAILURES TO ACT) OF CONGRESS" WHICH HAVE INJURED THIS PETITIONER; WHICH WERE "CREATED" BECAUSE CONGRESS DID NOT ADEQUATELY PROVIDE SO THEY COULD NOT HAVE OCCURRED AND WHICH RESULTED IN INJURY TO THIS PETITIONER:

A. Congress was and/or continues to be obligated in these action(s) to provide so petitioner's land would be appraised and petitioner would be paid the same dollars per acre at the 2.026 acres "TAKE AREA PROPER" (as well as at his REMAINING LANDS) as were former Common Pleas Judge Sidney Rigelhaupt and Reverend Bohachevsky who own(ed) land on each side of petitioners land — within approximately 300 feet of petitioners land (R page 69 lines 1 thru 4) (the industrial property to the North of petitioner's land, at least in part, is and/or was owned by former Common Please Judge Sidney Rigelhaupt — see "AERIAL PHOTOGRAPHS" "PROPERTY OWNERS EXHIBITS NO. 4 and 5 (R pg. 107 lines 1 thru 10, pg. 88 lines 20 thru 23; pg. 89 lines 1 thru 9) (see beginning at page 30 items 'D and E' of this petition for details). Otherwise, of course, those described on page 3 item 'D' of this petition will be discriminating against this petitioner. Congress have not provided so petitioner would be paid the same dollars per acre as Judge Rigelhaupt and/or Rev. C. Bohachevsky; therefore have and are continuing to permit the "CRIME" of discrimination to occur against this petitioner.

Congress could have (and still can) provide(d) so petitioner would (and/or can) still receive the same dollars per acre as former Common Pleas Judge Sidney Rigelhaupt and Rev. C. Bohachevsky by properly controlling the disbursements of funds. Congress acted (at the very least) negligently and/or acted and/or failed to act adequately. As a result this petitioner was and continues to suffer injury. For details and actual loss to petitioner because of this 'CRIME(S)' of discrimination see this petition page 31 — item 20E; attached U.S.S.C. APPENDIX 'A' beginning at page 2B;

B. Congress was and/or continues to be obligated to this petitioner, in these action(s), to provide so that there was and/or is no violation of the Sherman Antitrust Act(s) as amended that would cause injury to this petitioner. Further that no collusion occurred and that the State of Ohio and/or

other(s) violated, at least one (and in fact all) of the foregoing in this item "B". Congress could have so provided by properly controlling the allotment of and/or disbursement of the funds. Congress did not so provide. As a result this petitioner was not offered (during negotiations) and/or has not received "JUST COMPENSATION" as is demanded under Amendment V of our United States Constitution. As a result Congress has assisted in "CREATING" this condition that has "CAUSED" Just Compensation to become astronomically inflated, ridiculous and in fact as described in attached U.S.S.C. APPENDIX 'M' page 10 beginning at item 'IV',

C. Congress was and/or still is obligated, in these action(s), to provide so this petitioner can have the OPPORTUNITY to use his REMAINING LANDS to earn a livelihood and/or engage in free enterprise without limitations as is demanded under Amendments XIV and IX of our United States Constitution (especially because of the Certified Letters dated 6/9/72, 11/14/73, 11/16/73 and the others shown in the INDEX OF attached U.S.S.C. APPENDIX 'M' pg. ii Appendixes "Q, P, R" respectively). Congress did not provide so this Petitioner could use his REMAINING LANDS to earn a livelihood and/or engage in free enterprise without limitations as demanded under Amendments of our United States Constitution XIV and IX even though petitioner forwarded them and others the above described letters, as well as others. As a result this Petitioner was injured either negligently and/or maliciously. Petitioner showed (during the trial) by uncontroverted and incontrovertible ENGINEERING FACT (and not opinion) that can still be proved or disproved (see Property Owners Exhibits No. 1, 2, 3, 4, 5 (R pg. 107 lines 1 thru 10); (see this petition page 13 for other references to the said Exhibits 1, 2, 3, 4, 5) that petitioner will be required to pay out in dollars so he can have the OPPORTUNTIY to use his REMAINING LANDS as demanded under Amendments XIV and IX of our United States Constitution approximately as follows (for detailed

explanation of items 'a thru f' that follow, see this petition beginning at page 27 item 20):

- a. item 'B' "Fill Dirt"\$205,000.00
- b. plus Item 'C' — 60" culvert in place30,000.00
- c. plus item 'D' overpass as shown on U.S.S.C. APPENDIX "C-1"500,000.00
- d. plus items 'G and H' increase in cost to build the apartments at petitioners REMAINING LANDS April 1971 thru April 1976..... to be determined
- e. plus item 'F' interest petitioner could have collected from April 1971 thru April 1976 ... to be determined
- f. plus mental anguish, duress and cruel and unusual punishment..... to be determined

NOTE — THE STATE OF OHIO AND/OR OUR FEDERAL GOVERNMENT SAVED THE FOREGOING AMOUNTS AT THE LOSS AND EXPENSE TO THIS PETITIONER SINCE THEY WERE NOT REQUIRED TO ISSUE BONDS TO RAISE THE MONEY TO PERFORM THE ABOVE DESCRIBED WORK OR TO PAY THIS PETITIONER THE SAID AMOUNTS. THEREFORE THE PEOPLE OF THE STATE OF OHIO AND/OR OUR FEDERAL GOVERNMENT PROSPERED AND/OR WERE ILLEGALLY ENRICHED BY THOSE AMOUNTS AT THE TOTAL LOSS AND EXPENSE TO THIS PETITIONER. PETITIONER EXPLAINED THIS ON NOT LESS THAN TWO SEPERATE OCCASIONS. FOR THOSE TWO OCCASIONS SEE ATTACHED U.S.S.C. APPENDIX 'M' PAGE 10 BEGINNING AT ITEM 'IV' AND ATTACHED U.S.S.C. APPENDIX 'A' BEGINNING AT PAGE '53-G' AND PAGE 2 ITEM "C".

D. Congress was and/or still is obligated, in these action(s), to provide so that the people of the State of Ohio and/or our Federal Government and/or especially private individuals (such as former Common Pleas Judge Sidney Rigelhaupt) do

not ILLEGALLY prosper and/or are not enriched at the loss and expense to this petitioner. Congress has not so provided and those described in this item "D" have in fact prospered and/or been enriched at the total loss and expense to this petitioner as stated in this summary beginning at page 34 items A,B,C, and/or in attached U.S.S.C. APPENDIX 'A' beginning at page 2 item "C" and/or in attached U.S.S.C. APPENDIX 'M' beginning at page 10 item 'IV'.

E. The following certified letter from this petitioner to Congressman Charles Carney (and the enclosures therewith) will further support that the UNCONSTITUTIONAL ACTS (AND/OR FAILURES TO ACT) OF CONGRESS described in this petition beginning at page 32 item 22 "CREATED" either negligent and/or malicious injury to this petitioner (see INDEX of attached U.S.S.C. APPENDIX 'M' page ii Appendixes A-12, A-11 and A-13, which are the method of identification of said letters),

F. The following comparative trial testimony and evidence of record further prove beyond doubt that the UNCONSTITUTIONAL ACTS (AND/OR FAILURES TO ACT) OF CONGRESS as described in this petition beginning at page 32 item 22 assisted in "CREATING", at the very least, negligent injury to this petitioner. (Regarding the entire foregoing in this item 22 — without question the jury did not comprehend the following uncontroverted and incontrovertible "TESTIMONY" and "PROPERTY OWNER'S EXHIBITS NO. 1, 2 and 3" of ENGINEERING FACT (explained beginning at page 13 of this petition). Again they are not opinion or theory they are testimony and exhibits of ENGINEERING FACT that can still be proved or disproved as of this date. Regarding said Exhibits No. 1, 2 and 3 and testimony by petitioners' witnesses see (R pg. 107 lines 6 thru 10; pg. 36 beginning at line 8 thru pg. 39; pg. 72 lines 6 thru 16; pg. 44 beginning at line 9 thru pg. 56; pg. 97 beginning at line 15 thru pg. 7. pg. 27 beginning at line 16).

The foregoing testimony of record proves beyond doubt "JUST COMPENSATION", which is demanded under Amendment V of our United States Constitution, was ILLEGALLY left to chance and guess and conjecture. Compare the foregoing by petitioners' witnesses with the following trial testimony by the ONLY appraiser who testified for the State of Ohio and/or our Federal Government as well as the manner in which the State Courts and counsel for the State of Ohio carried forth in relationship to the foregoing (in this item 22), and their obligations to this petitioner and/or his REMAINING LANDS in relationship to Amendments of our United States Constitution V, XIV, VI, IX, VIII and the context of "TAKING OF PROPERTY" in a Constitutional sense according to our "UNITED STATES SUPREME COURT" as stated in this petition beginning at the top of page 4 item ii (R pg. 115 lines 19 and 20, pg. 130 line 17; pgs. 140 beginning at line 7 thru page 147, pg. 147 beginning at line 11 thru pg. 149, pg. 151 beginning at line 6 thru page 158 — Mayo grantee — for details on this see this petition page 20 — the paragraph following item "e" where it begins — "Now back to Exhibit No. 4." etc. and continue to where it says — "E". PROPERTY OWNERS' EXHIBIT NO. 5"; (see R. pg. 156 beginning at line 18 — "Will sell REMAINING LANDS to recover losses" thru page 158); also see attached U.S.S.C. APPENDIX 'A' beginning at page 31 thru 35. Furthermore kindly analyze attached U.S.S.C. APPENDIX 'A' beginning at page 12 as the contents thereof is related to non-adherence to the Sherman Antitrust Acts as Amended as related to this petitioners Constitutional Rights under Amendments V, IX, XIV, VIII and the contents of this item 22.

23. QUESTIONS PRESENTED

A. FOR "QUESTIONS PRESENTED 1 THRU 20 INCLUSIVE — your attentions are respectfully directed to attached U.S.S.C. APPENDIX 'M' beginning at page 14 item "VI" thereof;

B. QUESTION PRESENTED NO. 21 — How much worse can they get?? Petitioner asked this question at page 9 of this petition last line thereof. This question was asked relative to the content of item 4 beginning at page 8 of this petition thru page 10. Your attentions are respectfully directed to the said pages;

C. QUESTIONS PRESENTED NO. 22 — The ONLY objectives of the trial of March 1974 were to determine:

a. "JUST COMPENSATION" to this petitioner because it is demanded under Amendment V of our United States Constitution,

b. provide so this petitioner would have the "OPPORTUNITY" to use his REMAINING LANDS to earn a livelihood and/or engage in free enterprise without limitations (especially if it was realistically possible). Therefore every EXCUSE, other than the foregoing, the State Courts used for denying this petitioner, at least, a new trial were insignificant, immaterial, irrelevant and unfounded. Your attentions are respectfully directed to page 10 of this petition beginning at Part 'II' for some unfounded, immaterial and insignificant 'EXCUSES' the State Courts used for denying petitioner a new trial.

This petitioner has shown in the records that include "PROPERTY OWNERS' EXHIBITS 1, 2, 3, 4, 5 (see this petition at page 13 beginning at item 15) that it is UNCONVERTED and INCONVERTIBLE ENGINEERING FACT (NOT OPINION OR THEORY) that this petitioner will be forced to pay out as itemized in this petition page 29 beginning at item '20B thru H' inclusive if he is to have the OPPORTUNITY (see this petition page 6 item 'v' for 'OPPORTUNITY' explained) to use his REMAINING LANDS to earn a livelihood and/or engage in free enterprise without limitations as is demanded under Amendments XIV and IX of our United States Constitution. Please be respectfully reminded Amendments XIV and IX which are THE LAWS

OF THE LAND (that favor and protect this petitioners' rights) are as much a part of (THE LAWS) our United States Constitution as are the portions of our United States Constitution that give Congress and/or our Federal Government and/or the State of Ohio the right to take Petitioner's 2.026 Acres of land under the laws of Eminent Domain. When the Attorney General of Ohio, the Judges of the State Courts and the others involved took their "OATHS OF OFFICE" they swore they would uphold the "ENTIRE" CONSTITUTION OF THE U.S.A. The oaths they took (and swore to) did not say that the Attorney General of Ohio and/or the Judges of the State Courts of Ohio and/or the others involved were to uphold only the portions of THE LAWS AND/OR CONSTITUTION necessary to accomplish the end results they personally wanted to accomplish. Therefore they swore (under oath) they would EVEN uphold Amendments XIV and IX even if they didn't like to personally and even if those Amendments XIV and IX favor(ed) this petitioner; as they do regarding especially Petitioner's REMAINING LANDS. Since this petitioner has shown (as previously explained in this "QUESTION PRESENTED NO. 22") the manner in which and degree to which this petitioner has been and continues to be, INCONTROVERTIBLY, injured because those described on page 3 item 'D' of this petition ARBITRARILY REFUSE(D) to adhere to Amendments XIV and IX (THE LAW OF THE LAND) — especially as those LAWS OF THE LAND are related to this petitioners REMAINING LANDS. Regarding this paragraph — petitioner asks the following Question No. 22:

Question Presented No. 22 — How can this petitioner have the OPPORTUNITY to use his REMAINING LANDS to earn a livelihood and/or engage in free enterprise without limitations (at their "Highest and Best Use(s)" agreed upon by all the appraisers who testified at the trial which is conservatively shown in PROPERTY OWNERS EXHIBITS NO. 1, 2, 3 (of INCONTROVERTIBLE ENGINEERING FACT — NOT OPINION OR THEORY) prepared by Harold Strohecker,

Registered Engineer and Registered Surveyor experienced in sub-division work as is demanded under Amendments XIV and IX (THE LAWS OF THE LAND!) — other than by paying out the dollars itemized by this petitioner at page 29 of this petition beginning at item '20B thru H' inclusive?? and/or another way of saying it —

Question Presented No. 23 — What law gives ANYONE the right to deprive this petitioner the OPPORTUNITY to use his REMAINING LANDS at their "Highest and Best Use" without limitations as herein explained (as a six-plex apartment complex)?? Especially under the circumstances herein explained?? and/or

Questions Presented No. 24 — What law gives anyone (other than this petitioner) the right to put a value on petitioners OPPORTUNITY(IES) in his REMAINING LANDS?? (see this petition page 6 item 'v' for OPPORTUNITY (IES) explained.

Question Presented No. 25 — How can the award by the jury of \$417 for each acre of petitioners REMAINING LANDS destroyed because of the construction of the highway (or \$114 for the OPPORTUNITY to have each six-plex lot destroyed or \$2500 for the total destruction of (6) acres of petitioners REMAINING LANDS) (R page 45 beginning at line 11 thru page 56; page 18 beginning at line 14 thru page 45 thru page 108; attached U.S.S.C. APPENDIX 'A' pages 31 thru 35 for reference to other pertinent portions of the record) be JUST COMPENSATION as is demanded under Amendment V of our United States Constitution. Bearing in mind the said \$417 per acre (or \$114 for each six-plex lot destroyed) doesn't even take into consideration that this petitioner will be ILLEGALLY in an UNCONSTITUTIONAL manner deprived the OPPORTUNITY to use his REMAINING LANDS without limitations as is demanded under Amendments XIV and IX of our United States Constitution. Further no one (other than this petitioner) is permitted,

according to our U.S. Constitution, to place a value on petitioners personal private intangible property of Constitutional Rights in his REMAINING LANDS (For OPPORTUNITY explained see page 6 of this petition item 'v'). For further details see page 14 of this petition beginning at item "B"; also see Questions Presented 22,23,24 and that which follow.

NOTE — THIS PETITIONER RESPECTFULLY RESERVES THE RIGHT TO CONTINUE WITH THIS PETITION IF IT BECOMES NECESSARY.

FINAL CONCLUSION

24. ATTORNEY GENERAL OF OHIO AND THE STATE COURTS "TELL" OUR UNITED STATES SUPREME COURT — "DESTROY OUR U.S. CONSTITUTION! — MAKE U.S.A. TOTALITARIAN STATE!" — *(the same as the Ohio Attorney General and the State Courts are trying to make Ohio — "then we don't need to pay petitioner the Just, Due, and Owing Debt according to — "THE LAWS OF THE LAND!" and the records as itemized by petitioner in attached U.S.S.C. APPENDIX 'M' beginning at page 10 item IV thereof" — "SO WE TOOK AN OATH — SO WHAT!" "THE LAWS OF THE LAND? — SO WHAT?")*:

A. When a private individual or individuals break a law (in a Democracy) — if they are caught they are usually given one of two choices by their superior(s). Those choices usually are:

- a. resign; and/or
- b. subject themselves to being fired and/or due process.

Therefore this petitioner respectfully requests this Court to give the public officials of Ohio and the State Courts (who have CHOSEN to break "THE LAWS OF THE LAND" in these actions) the same consideration that would be given to any other private citizen under the same circumstances. In

that respect you are respectfully requested to consider item 24 — 'Aa and b' above; Questions Presented 1 thru 20 in attached U.S.S.C. APPENDIX 'M' page 14 thereof beginning at item VI; Question Presented No. 21 on page 9 of this petition (the last line); Questions Presented No. 22 thru No. 25 in this petition beginning on page 40; and attached U.S.S.C. APPENDIXES 'A' and 'M' in their entirety as well as this petition in its entirety. This petitioner believes the records have shown the public officials described in this item 24 have chosen and have broken the said laws willfully, wantonly and maliciously. Petitioner is usually easy going. He prefers to "back off rather than fight" — "within certain limitations!" The degree of limitations petitioner will usually tolerate are as follows:

- i. acceptance of injuries innocently inflicted by others upon his body and/or his property(ies);
- ii. (to a lesser degree) — negligent injuries;
- iii. and even some malicious injuries.

But there comes a point and time where those negligent and/or malicious injuries become extra-ordinary and IN FACT become harassment that cause excessive mental anguish and duress. That is it eventually becomes not only a mental — but also a physical imprisonment or incarceration "WITHOUT DUE PROCESS" and in fact "CRUEL AND UNUSUAL PUNISHMENT".

This petitioner believes the contents of this petition combined with the attachments have proven beyond doubt that this petitioner has been, at least negligently (and in fact maliciously) imprisoned or incarcerated for the past (5) five years (about April 1971 thru April 1976) by the Office of the Attorney General of Ohio with the full cooperation of the State Courts. Petitioner further believes this is a common pattern or procedure with the office of the said Attorney General. That is — it is a patterned characteristic of their operation to appraise land to be taken under the laws of

Eminent Domain and damages to REMAINING LANDS in a haphazard manner (see attached U.S.S.C. APPENDIX 'A' page 12 for price fixed and collusive appraisals by the two state appraisers). Usually the land owner is inexperienced, doesn't know lawyers who have proper expertise in this somewhat specialty field or they may not have the time or money to pursue the matter to even get reasonable justice. The office of the Attorney General knows that even if the case goes to trial at the most the State and/or our Federal Government will be asked to pay is the amount the property owner was entitled to receive, according to the law, in the first place. That even though the State has no genuinely bonifide evidence to support their appraisals or case (as was true in these actions) — they still have a chance to mislead the jury, FRAUD BY TRICK, (who in most cases, where technical questions are the difference between justice and injustice, are not peers of the land owner or the technician presenting incontrovertible technical evidence). Of course, in that event, the State (who had nothing to lose in the first place) benefits by a jury verdict that doesn't make any sense whatsoever (of course by law the jury must be comprised of peers of the PROPERTY OWNER). Therefore this is another reason petitioner should have been awarded a new trial. In a case where a jury returns a verdict that doesn't make sense the trial judge, of course, has the power to correct the injustice by either increasing or decreasing the award by the jury. The trial Judge in this specific action is a man of extensive experience. It is evident from his remarks of record (R pg. 141 line 3 thru 6), and others, and those by Counsel for the State (R pg. 141 lines 7 thru 10), and others, that the trial judge and Counsel for the State of Ohio knew the State had not appraised this petitioners land in GOOD FAITH and had not carried forth in GOOD FAITH during the negotiations period. That they had (at the very least) negligently abused their power — especially in so far as petitioners REMAINING LANDS were related to Amendments XIV and IX of our UNITED STATES CONSTITUTION was concerned. Since Mr. Kroeck had testified at the trial there was

ZERO DOLLARS damages to petitioners REMAINING LANDS and the appraisal of record by Mr. Miracle (the other appraiser for the State see certified letter 4/17/71-petitioner to the State of Ohio) showed the damages to petitioners REMAINING LANDS to be \$1050 (see attached U.S.S.C. APPENDIX 'A' beginning page 12; Brief of Defendant to the trial court dated November 13, 1974). That is both of the States' appraisals had to be collusive or price fixed because by incontrovertible ENGINEERING FACT NOT OPINION there was and is more than three times as much damage to this petitioners REMAINING LANDS then there was the Take are proper "for which the appraiser or the State has not been able to account WITHIN THE LAW!" Petitioner directed the said "GIVE-A-WAY" comments of record by the Trial Court to the Supreme Court of Ohio (see attached APPENDIX 'A' beginning at page 31 thru 35; also beginning at page 2 of that same Appendix; certified letters described in attached U.S.S.C. APPENDIX 'M' — INDEX page i - Appendixes 'A thru N' and at page ii Appendixes 'O thru A-1'). Furthermore petitioner explained a large part of the foregoing to the trial Judge both before the trial (10/5/73 - see U.S.S.C. APPENDIX 'M' — INDEX page ii — Appendixes "O, P, X, A-1 and other data); and after the trial. Petitioner also personally explained significant parts of the foregoing to The Honorable Judge Joseph O'Neil of the 7th District Court of Appeals. But they refused to grant a new trial or correct this total miscarriage of justice as they were permitted and in fact obligated "BY LAW".

The Attorney's for the State of Ohio and the State Courts know very well the award by the jury of \$417 per acre for the total destruction of (6) acres of petitioners REMAINING LANDS can't possibly be JUST COMPENSATION as demanded under Amendment V without even taking into consideration petitioner will not be able to have the OPPORTUNITY to use (22) twenty-two six-plex apartment lots or (132) one hundred thirty-two apartment unit accommodations, at his REMAINING LANDS, to earn a livelihood

and/or engage in free enterprise without limitations as shown in PROPERTY OWNERS EXHIBITS 1, 2, 3, 4, 5 and in U.S.S.C. APPENDIX C-1. Please bear in mind:

A. petitioner directed the foregoing to the attention of the Supreme Court of Ohio in U.S.S.C. APPENDIX 'A' page 53 beginning at item 'G';

B. Mr. Kroeck (the States own appraiser) testified (R pg. 123 lines 13 and 14 the value of the front of petitioners REMAINING LANDS is approximately \$6750 per acre (for details see page 14 of this petition beginning at item B). How can the award by the jury of \$417 per acre (or \$114 for each six-plex lot destroyed) be just compensation when even Mr. Kroeck said the value of that land was \$6750 per acre. In other words the trial court permitted the jury to appraise petitioners REMAINING LANDS. That is NOT LEGAL because that is not the function or purpose of the jury and secondly and most important because no one other than this petitioner can place a value on petitioners REMAINING LANDS and/or OPPORTUNITY(IES) therein for reasons explained in this petition page 6 item 'v'.

SUMMARY OF FINAL CONCLUSION

In summary; Counsel for the State of Ohio and/or the State Courts knew not later than during the trial:

A. the original appraisals of record had to be at the very least incomplete and IN FACT price fixed and/or collusive because both appraisals indicated the bulk of the injury to this petitioner was at the "TAKE AREA PROPER" whereas IN FACT this petitioners' witnesses proved by incontrovertible ENGINEERING FACT (NOT OPINION OR THEORY) that there was and still remains more than three times as much damages at petitioner's REMAINING LANDS than at the take area proper. This can still as of this date be proved or disproved. For details see this petition page 14 beginning at item 'B'. Also see deposit in Court that was never increased

and Brief submitted November 13, 1974 by Attorney Michael Harshman to the trial court — copy thereof to counsel for the State of Ohio on the same date;

B. that they should have halted the trial as soon as they heard the testimony and had seen "Property Owners Exhibits 1, 2, 3, 4, 5 (see this petition page 13 beginning at item 15) because the State already had been forwarned (see negotiators reports) and certified letters 6/9/72; 11/14/73; 11/16/73 and others shown in attached U.S.S.C. APPENDIX 'M' — INDEX page ii. Therefore they knew that the appraisals had to be at the very least incomplete (R pg. 141 lines 3 thru 10); (item 'A' of this "Summary of Final Conclusion"); (R-see attached U.S.S.C. APPENDIX 'A' beginning at pg. 31 thru 35 for numerous references to specific parts of the trial transcript; same Appendix 'A' beginning at page 2);

THIS PETITIONER RESPECTFULLY REQUESTS THIS HONORABLE COURT, FOR REASONS STATED HEREIN, TO PROCEED AS FOLLOWS:

A. Issue a Writ of Certiorari if necessary, to the degree necessary and to whom(s) necessary:

a. and provide as respectfully requested by this petitioner in attached U.S.S.C. APPENDIX 'M':

i. page 5 — Alternate No. 1; and/or

ii. page 7 — Alternate No. 3; and/or

c. as respectfully requested by this petitioner in this petition page 42 item "24 — Final Conclusion" — the paragraph following '24 - Ab'.

THE FURTHER REASONS FOR WHICH THE FOREGOING ARE REQUESTED, AMONG OTHERS, ARE THOSE WHICH FOLLOW:

A. This petitioner has been unjustly imprisoned both mentally and physically (for approximately the (5) five year

period April 1971 thru April 1976) by the Office of the Attorney General of Ohio with the full cooperation of all three State Courts in their expression of their gratitude and appreciation because this petitioner and his family cooperated with the State of Ohio and/or our Federal Government for the approximate period of 1955 to about April 1971 (for details see attached U.S.S.C. APPENDIX 'A' page 23 beginning at item 'II').

B. This petitioner hates the subversive thought of regressing to a Totalitarian State that will destroy that on which our America U.S.A. was founded and for which our forefathers fought the Revolutionary War — Especially during this Bicentennial year; and especially because he hates even the thought of the "HELL" to which he was subjected during that temporary totalitarian regime for the approximate period of April 1971 thru April 1976;

C. Because this is — "THE LAW OF THE LAND!" and still is "OUR" — UNITED STATES CONSTITUTION and "OUR" AMERICA — U.S.A.! — "A DEMOCRACY — NOT A TOTALITARIAN STATE!"

Your Attentions are respectfully re-directed to the following portions of this petition:

A. page 27 item 20 — "Suggested Guide and Analysis to Determine 'Reasonable' Compensation";

B. page 32 item 22 — "Unconstitutional Acts of Congress",

C. page 8 beginning at item 4 thru page 10 — State of California v Anthony Pasquall Faretta (see table of contents); "Handling Federal Torts Claims"; numerous other reasons to support that this court should proceed as respectfully requested by this petitioner in the foregoing.

D. page 25 item C — "jury not comprised of peers";

E. page 3 item 'Ei' — State Courts don't have final jurisdiction on Federal Law and/or our UNITED STATES CONSTITUTION;

F. Petitioner will either file one copy of each of "Property Owner's Exhibits 1, 2, 3, 4, 5" with this petition in this Court or he will forward them to this court shortly thereafter. See this petition page 13 beginning at item '15' for explanation of the said Exhibits and references etc. thereto in the Trial Transcript.

G. Page 6 item 'v' of this petition — only this petitioner is permitted, within the Law, to place a VALUE on his personal private intangible property of "OPPORTUNITY" in his REMAINING LANDS. Especially under the circumstances in these specific actions;

H. Question Presented No. 25 — page 41 of this petition How can \$417 per acre possibly be Just Compensation for each acre of the six-acres totally destroyed at petitioners REMAINING LANDS when even Mr. Kroeck (the States own Appraiser) placed a value on said REMAINING LANDS DESTROYED (R pg. 123 lines 13 and 14) at \$6750 per acre? For further details see page 15 of this petition beginning at item 'B';

I. Questions Presented 1 thru 20 — see attached U.S.S.C. APPENDIX 'M' page 14 beginning at item 'V' thereof for these questions which further unquestionably support this petitioners arguments;

J. Questions Presented 22 thru 25 — see this petition beginning at page 40 for same reason as "I" above;

K. See attached U.S.S.C. APPENDIX 'M' page 6 items 'I-5A, B, C, D' — The office of the Attorney General of Ohio with the full cooperation and approval of the State Courts have acted in contempt of and for OUR JUDICIAL SYSTEM, OUR UNITED STATES CONSTITUTION, OUR UNITED STATES SUPREME COURT, DEMOCRACY AND

AMERICA because of their actions and/or failures to act. They have "CREATED THIS CONDITION WORSE THAN THE WATERGATE MATTER!" and "THEY HAVE CAUSED Ohio to be a TOTALITARIAN STATE!" in these specific actions. Please be respectfully reminded — "THESE ACTS AND/OR FAILURES TO ACT ARE SUBVERSIVE — that have caused injury to this petitioner and/or his property(ies) that are recoverable either under these actions and/or the Federal Torts Claims Acts or both. See 'L' that follows.

L. Your attentions are further respectfully re-directed to the attached (6) six page U.S.S.C. APPENDIX "L" — "NOTICE OF APPEAL" for other "Questions Presented" beginning at page 4 of 6 thereof. They prove further beyond doubt that the Office of the Attorney General of Ohio, the State Courts of Ohio and other(s) acted willfully, wantonly, and maliciously as herein stated; they have no interest whatsoever to at least determine and pay this petitioner even Reasonable Compensation. Further that this Court should Act as respectfully requested by this petitioner in this petition "Summary of Final Conclusion" beginning at page 46.

M. Petitioner repeats Question Presented No. 21 — page 9 item Ba of this petition — "How much worse can they get!?"

NOTES

1. The attached "Notice of Appeal" — U.S.S.C. APPENDIX "L" and the other appendages are made a part of this petition and/or appeal as if they were totally re-written herein;
2. Petitioner respectfully reserves the right to add appendages and/or to engage counsel if it becomes necessary.

This matter has been directed to the attention of The Attorney General of The United States (see attached U.S.S.C. APPENDIX "L" — "NOTICE OF APPEAL" page 3 of 6

Petitioner herein is not a member of The Bar of The Supreme Court of The United States.

MEMORANDUM & NOTE(S) - TO WHOM IT MAY CONCERN

1. This Appellant continues to state and/or repeat that in this specific matter under the specific circumstances of this matter "PRACTICAL JUSTICE" was and is the most logical and wasteless resolution of this matter. The following will support this opinion and/or facts:

- A. "Handling Federal Tort Claims" by Lester S. Jayson, Director, Congressional Research Library of Congress. Consider the responsibility(ies) of the addresses of the herein described "NOTICE OF APPEAL" as related to the contents of the said book; the trial testimony and exhibits; the certified letters from this appellant described in the "Memorandum In Support of Jurisdiction" to the Ohio Supreme Court page 7 paragraph 1 and page 58 item D and that which follows;
- B. The Sherman Antitrust Act as amended and other Acts as related to "JUST COMPENSATION"; "A FAIR TRIAL"; and the herein described;
- C. The State Negotiators hand written reports including but not limited to, written correspondences by mail beginning about April 14, 1971;
- D. "Motion to Stay Decision and/or Addendum to Partial Forthwith Reply - Part 2" (3 pages) in The Supreme Court of Ohio;
- E. "Motion For Reconsideration No. 1 - Part 3" (19 pgs) in The Supreme Court of Ohio;

2. Please further consider the following as related to items "1-A thru I" above; our United States Constitution and our "UNITED" (not "DIS - UNITED") STATES; (that is the whole rather than the individual component parts):

A. From what has transpired in this specific matter are our leaders telling us forget morals; what is legal; what is not illegal - "you're a sucker if you don't try to get away with whatever you can"? Even if you are doing wrong by omission? The following disagree with that theory:

a. "Handling Federal Tort Claims" by Lester S. Jayson;

b. The Sherman Antitrust Act as amended:

c. The following excerpt from Justice Louis Brandeis - "Decency, security and liberty alike demand that government officials shall be subjected to the same rules of conduct that are commands to the citizens. In a government of laws, existence of the government will be imperiled if it fails to observe the law scrupulously. Our government is the potent, the omnipresent teacher. For good or ill, it teaches the whole people by its example." It is the opinion of this appellant Justice Brandeis would agree that Acts of omission are not acceptable legal procedures as they apply to this specific matter.

B. Isn't improper adherence(s) to item "2A" above one of the big reasons crime is running rampant in America today?

C. Are not willful omission that injure as wrong as those of commission?

D. Are not failure to Act that injure as wrong as wrongful acts that injure?

APPENDIX L cont'd

E. The United States Supreme Court seem to think so in "Handling Federal Tort Claims" by Jayson.

F. Are not willful acts or failure to act (either by omission or commission) that injure bearing false witness?

G. Are not "F" above not coveting ones neighbors goods; Stealing?

H. Does one who injures HIS SON (whether by omission or commission) truly believe his son will be blessed at the asking?

I. How many Pontius Pilates have there been? (one need not be a legally appointed judge in fact to be a Pontius Pilate).

J. How many more Pilates must there be before we learn?

K. How about false pride?; L. Forgive and ask forgiveness of your brother before you come to me?

M. What good is it to gain the whole world? N. Be prepared for I shall come like a thief in the night?;

O. Isn't this the way America was meant to have been?

Q. If we truly believe perhaps now (during the Christmas Season) is the time to act???

R. Need it be docketed??? S. It will if it must.

T. Was the "Dismissal Sua Sponte" as it was used in this matter for the purpose for which it was originally intended by its originators???

U. Is the "Dismissal Sua Sponte" taking of this appellants Constitutional Rights as it was used in this specific matter? That is - is it Unconstitutional as used in this specific matter?

V. Sincerely,

O'NEILL, J.

This is an appeal from a jury verdict in an appropriation matter. The State of Ohio presented evidence that the value of the land taken was \$6,700.00 and damages to the residue were non-existent.

APPENDIX "b" cont'd

The property owner presented a value of take at \$16,200.00 and \$18,000.00 and damages at \$51,900.00 and \$64,000.00.

The jury found value to be \$9,500.00 and damages to be \$2,500.00.

The appellant raises as his first assignment of error certain testimony elicited from one of its expert witnesses by the appellee. The appellant sets forth four specific items of such testimony. We have reviewed the transcript of testimony and found the evidence complained of. However, we do not find any objections being made at trial.

"It is of course the general rule that errors which arise during the course of the trial of a cause which are not brought to the attention of the court by objection, or otherwise, are waived and may not be urged for the first time on appeal." *Rosenberry v. Chumney*, 171 Ohio St. 49, page 50. (Cited in *Carrothers v. Hunter*, 23 Ohio St. 2d 99, at page 102).

This first assignment of error is found to be without merit.

The second assignment of error contends that the verdict was inadequate, against the manifest weight and given under the influence of passion.

The expert witness for the state, Mr. Kroeck, attached a value of \$6,700.00 to the land taken and no damage to the residue. The appellant argues that there were many unfounded opinions rendered by this expert. Specifically, the witness admitted that he was not familiar with the topography of the land; he did not know what effect the take would have upon the drainage and sewerage of the residue and, he had no idea what change in elevations would take place. The appellant, in essence, is arguing that Mr. Kroeck, was, by his own admissions, unqualified to give an opinion. He very well might have been UNVERSED but this was an issue of weight for the jury, rather than the trial court or this Court.

APPENDIX "b" cont'd

The appellant presented an expert line of evidence that as a result of the take, if he attempted to use his land, which was vacant, at its highest and best use, multiple family units, the damages arising as a result of the take would be \$51,900.00 to \$64,000.00. The main basis for these damage figures was an engineering and cost study presented into evidence. By admission these studies were prepared after the take and had not been submitted to the requisite governmental bodies for approval. These admissions came from appellant's expert along with his admission that such approval is required (Tr. 51).

"Q. You don't know whether they would be approved or not, do you?"

"A. No." (Tr. 52).

We are of the opinion that this admission left to the jury the weight to be attached to this expert's opinion. It obviously placed a speculative cast upon his opinion.

"The limitations on the right to damages resulting from the exercise of the power of eminent domain are that such damages must be actual and not merely speculative or contingent." *Masheter v. Blaisdell*, 30 Ohio St. 2d 8, page 12.

The trial court properly charged the jury in accordance with this law (Tr. 175).

The appellant is faced, not with passion or prejudice, but with conflicting oral testimony. Even if the verdict were contrary to the evidence, we could not reverse on that issue, alone.

"4. A judgment will not be reversed because the verdict is contrary to the evidence, unless it is manifestly so, and the reviewing court will always hesitate to do so where the doubts of its propriety arise out of a conflict in oral testimony." *Breese v. State*, 12 Ohio St. 146. *State v. Dingus*, 26 Ohio App. 2d 131, 136.

COUNTY OF MAHONING) COMMON PLEAS

CASE NO. 72 CI 1108

STATE OF OHIO,
Plaintiff,)
)
vs) JUDGMENT ENTRY
ALFRED A. ROBERTS,)
Defendant.) Filed January 27, 1975

The Court has carefully considered the transcript of the evidence and briefs of counsel on this motion for new trial. The jury verdict in this case was signed by all jurors. The jury, in addition, had a view of the premises.

In an appropriation case there is no burden of proof and the jury sits as an appraising or assessing board. All of the testimony respecting the property owner's claims as to the value of the property taken and the damage to the residue was permitted to go to the jury.

In an appropriation case the evidence which the jury considers consists mainly of the testimony of real estate appraising experts. The Director presented as his expert appraiser Mr. Orville Kroeck, an appraiser of the jury to determine the credibility of the witnesses and it was their prerogative to accept the testimony of Orville Kroeck. The verdict of the jury actually was almost double the amount testified to by Mr. Kroeck (\$12,000.00 as opposed to \$6,700.00).

Since the jury verdict is based upon credible evidence in the record, it cannot be said that the verdict was based on passion or prejudice. The jury simply did not buy the Plaintiff's theory of the case and it had every right to use the testimony of Orville Kroeck as a basis for their verdict.

Furthermore, the testimony of the property owner's experts was based upon a proposed plan of development

APPENDIX "a" cont'd

which had never been submitted to or approved by the Planning Commission.

The Court has no right to substitute his opinion respecting values for that of the jury.

The Court feels that the jury was adequately charged and that no error prejudicial to the property owner intervened into the charge nor in the admission of testimony. The property owner claims error in permitting Orville Kroeck to place a commercial valuation on the portion of the parcel fronting on Lake Park Road and South Avenue. The Court feels that the jury was adequately charged with respect to the consideration of this testimony.

In any event, under the circumstances of this case any claimed error in this regard would not be prejudicial to the property owner.

The Court does not feel that it can intervene into this verdict and, therefore, a motion for new trial is overruled. Exceptions.

Re: MAH I-680; Sec. 9.32; Pol 254 UL; Roberts

Dear Mr. Roberts:

This office as well as the offices of the Department of Transportation are extremely annoyed at your recent behavior concerning the above-captioned case. This matter was initially set, as per your insistent demands, back in October of 1972. At your attorney's request the matter was again reset for January 15 of this year. While I understand your attorney had personal problems and the matter could not go forward at that time, the case was reset for October 9, 1973.

It is difficult for me to understand how, after almost a year, you and your attorney could arrive at such a divergence of opinion so as to prevent the matter from going forward at this time. Be that as it may, Judge Cavalier has informed me that he considers a two-week period sufficient for you to obtain counsel. Accordingly, I shall file a motion with the Court on November 1 to advance the matter for trial at the earliest available time.

Very truly yours,

OPINIONS BELOW

The Supreme Court of Ohio wrote no opinion. The Court of Appeals for Mahoning County, Ohio, rendered a written decision which is attached as Appendix b, Petitioner's Brief pp. 16 - 19 and which was not reported.

STATEMENT OF THE CASE

This is a highway appropriation proceeding under Ohio Revised Code, Chapter 5519. The case was filed on July 21, 1972, by the Director of Transportation,

State of Ohio, respondent, and secured with a deposit of \$6,700.00. The property owner, Mr. Alfred A. Roberts, petitioner, through counsel, timely perfected his appeal. After delay caused by the ill health of counsel for the petitioner, the case was set for trial in October of 1973. At time of trial, however, the petitioner discharged his attorney and the matter was continued until March of 1974.

At the trial the petitioner put on expert testimony in the amount of \$68,100.00 and \$82,000.000. The respondent presented testimony indicating a total award of \$6,750.00. The jury verdict was \$12,000.00.

There was timely filed a Motion for New Trial which was not ruled upon by the Trial Court for approximately one year.

The date of the jury verdict was March 8, 1974. The Judgment Entry overruling the Motion for New Trial was filed February 4, 1975. The petitioner timely perfected an appeal to the Seventh District Court of Appeals with a different counsel handling the appeal. The opinion of the Court of Appeals affirming the judgment of the Trial Court was given June 6, 1975. The Journal Entry in the Court of Appeals was filed June 26, 1975. The notice of appeal to the Supreme Court was filed in the Court of Appeals on July 24, 1975, and in the Supreme Court on August 19, 1975.

On October 10, 1975, the Ohio Supreme Court dismissed the appeal (*The State of Ohio v. Alfred Roberts*, No. 75-765) for the reason that there was no substantial constitutional question of law presented, and on December 5, 1975, a motion for reconsideration was dismissed. It is from this dismissal that the petitioner prays for a writ of certiorari.

ARGUMENT

The various allegations raised by the petitioner do not present a substantial federal question. While it is difficult to define with exactness the petitioner's reason for this Court to hear his appeal, his petition seems to be an extensive statement of displeasure with the trial, the appeal and the general handling of this case by all concerned.

Nowhere does the petitioner cite to the Trial Court record to show how this case involves a substantial federal question. In the State Seventh District Court of Appeals, the petitioner raised the issue as to the inadmissibility of specific testimony. However, as the Court of Appeals held, no objection was made during trial to the introduction of the testimony and therefore any possible error was waived. (Appendix page 17, petition for writ of certiorari)

The second assignment of error in the Court of Appeals was that the verdict was inadequate, against the manifest weight of the evidence, and given under the influence of passion. The State Court of Appeals ruled that this was a matter of conflicting testimony resolved by the jury. Petitioner was afforded the benefit of experienced trial counsel as well as a different counsel on appeal. It was from this decision that the Ohio Supreme Court dismissed petitioner's appeal for the reason that no substantial state constitutional question was involved.

Thus, it is clear that there was no federal question involved in the trial or appeal of this state appropriation proceeding. As this Court has stated in *Edelman v. People of State of California*, 344 U.S. 357 (1953), the Supreme Court will not decide whether constitutional rights have been violated where federal ques-

tions were not seasonably raised in accordance with the requirements of state law.

The petitioner has the burden of affirmatively establishing the United States Supreme Court's jurisdiction. *Republic Natural Gas Co. v. State of Oklahoma*, 334 U.S. 62 (1948). The criteria to establish jurisdiction for the Supreme Court to review a decision of a state supreme court was summarized in the case of *Durley v. Mayo*, 351 U.S. 277 (1956) at page 281:

" 'Where the highest court of the state delivers no opinion and it appears that the judgment *might* have rested upon a nonfederal ground, this Court will not take jurisdiction to review the judgment.' *Stembridge v. State of Georgia*, 343 U.S. 541, 547, 72 S. Ct. 834, 837, 96 L. Ed. 1130.

"It is a well established principle of this Court that before we will review a decision of a state court it must affirmatively appear from the record that the federal question was presented to the highest court of the State having jurisdiction and that its decision of the federal question was necessary to its determination of the cause. *Honeyman v. Hanan*, 300 U.S. 14, 18, 57 S. Ct. 350, 352, 81 L. Ed. 476; *Lynch v. [People of] New York [ex rel. Pierson]*, 293 U.S. 52, 55 S. Ct. 16, 79 L. Ed. 191. And where the decision of the state court might have been either on a state ground or on a federal ground and the state ground is sufficient to sustain the judgment, the Court will not undertake to review it *Klinger v. [State of] Missouri*, 13 Wall. 257, 263, 20 L. Ed. 635; *[Walter A.] Wood Mowing & Reaping Machine Co. v. Skinner*, 139 U.S. 293, 297, 11 S. Ct. 528, 530, 35 L. Ed. 193; *Allen v. Arguimbau*, 198 U.S. 149, 154-155, 25 S. Ct. 622, 624, 49 L. Ed. 990; *Lynch v. [People of] New York [ex rel. Pierson]*, *supra*. . . ."

In the instant case the petitioner has not shown that he meets any of the criteria to have this case heard by the Supreme Court. It does not affirmatively appear from the record that a federal question was presented to the Ohio Supreme Court, nor has it been shown that a federal question determination was in any way necessary for the Ohio Supreme Court to reach its decision. Finally, the record shows that the decision of the Ohio Supreme Court was based completely on state grounds.

CONCLUSION

For the reasons stated above, Respondent says that a Petition for a Writ of Certiorari should be denied.
